Seat Dimensions

Dimensions

The dimensions A and B for T8, T9, T9.5, T10 and T11 shapes are taken from un-covered seats. Therefore, if your T8, T9, T9.5, T10 or T11 seat is a ¼ or fully covered, dimension A will be 6mm smaller and B will be 10mm smaller than shown here.

Cleaning Covered Seats

Any normal carpet or upholstery cleaner can be used. For oil, grease and tire rubber stains, the cover can be cleaned with paint thinner. Apply to a cloth and wipe the mark off.
